

MOBILITY SUPPORT & INFORMATION

**Contact each agency for more
information regarding each agencies
transportation policies and
route services**

Demand-response services have vehicles operating in response to calls from passengers. Service areas may depend on availability. Contact providers directly for up-to-date service boundaries and details of service. Service by demand-response service tends to be for older adults (60+) or adults (18+ with disabilities).

Please note demand-response services require advanced booking, and the time needed varies by agency. Oftentimes, 24 to 72-hour advanced notice is required. Contact each agency for their requirements.

Buses which run along an established path at preset times, picking up passengers at designated bus stops. Typically, fixed route service is characterized by printed schedules or time tables, with designated bus stops where passengers board.

In accordance with the provisions of the American with Disabilities Act and the Civil Rights Act of 1964, SETran and Public Transportation partners do not discriminate on the on basis of disability, race, color, national origin, or gender. For more information about these statutes, or to file a complaint, call [Federal Transit Administration](https://www.federaltransit.gov) U.S. Department of Transportation 400 Seventh Street S.W., Washington, D.C. 20590

ABOUT

Southeast Transit (SETran) addresses mobility challenges for people in Southeast Colorado (Baca, Bent, Crowley, Kiowa, Otero, and Prowers Counties). This includes access for the aging population, people with disabilities and underserved and/or people with low incomes. SETran aims to bridge the gaps in current transit needs, existing services, and coordination for future improvements.
